

## **2024 EAGLES MERE FOUNDATION GRANT GUIDELINES AND APPLICATION**

The Foundation is now accepting applications for the 2024 annual grant cycle. The Eagles Mere Foundation provides grant support to organizations that enhance the lives of Eagles Mere residents. The Foundation awards grants in the following areas: youth development, environment, family services, health, economic development education, arts and culture.

Please review the following information and complete the required forms that are attached. The deadline is **Sunday, February 25, 2024.**

Foundation grants vary in size based upon the community need and the applicant's ability to impact the need. Competitive grants have been awarded in amounts ranging from a few hundred dollars to \$10,000.

The Foundation encourages an organization to file only one grant application. The Foundation will only consider a second grant application from the same organization in demonstrated exceptional circumstances. It is unusual for the Foundation to make more than one grant to an organization per year.

Strong proposals:

- Clearly define the need to be addressed
- Articulate clear outcomes that will address the need
- Demonstrate a collaborative approach that can advance work beyond what the organization can do itself through partnership

Foundation grants are administered on an annual deadline to eligible organizations that have current non-profit tax-exempt status under Section 501(C) (3) of the Internal Revenue Code.
